Friday Youth

Lord, God our Father, there was one of your men,
who gave his life to others,
Saint Joseph Calasanz;

Many people have been in my life,
Him, his Piarist successors, teachers, instructors, catechists, coaches...
So many people have presence in our lives!

I pray for all of them today; for their vocation of service to accompany others in the path of life.

Help them, and help us, to understand that we are not alone in life.
