VICEPROVINCIAL SUPERIOR OF PIOUS SCHOOLS IN INDIA*

Dear Confreres

With deep sentiments of gratitude to God and to each one of you I would like to update you on the two events that took place in the vice province lately. Both are important mile stones in the life of the Vice province as consolidation and expansion.

Blessing of Kamda School Extension:

For the past few years we have been making some serious efforts to establish and stabilize the school in Kamda. There were many hurdles for us to face and real hard work and perseverance were necessary to pursue this work in Kamda. The support of Itaka and the wholehearted commitment of our members are finally beginning to yield fruit. The academic status of the school has reached a good standard. The recognition process is well underway and for this task to get fulfilled we needed some infrastructure developments and installations. We have done in bits and pieces during the past years but they were not sufficient to satisfy the government. Finally, we made standard size Laboratory, Library and Commuter Lab with the required facilities. The Sports ground will take more time to be completed. This final phase of expansion and installation was financed by Itaka Escolapios. I, on behalf of the VP register on record our gratitude and appreciation for the co coordinators for their commitment, sacrifice and generosity.

The work has been almost completed and the blessing took place on 03rd August at 9.00 am. Most Rev Binay Kandulna The Honorable Bishop of Khunti Presided over the Holy Eucharist and Blessed the new wing of the school. He highlighted in his homily that the children in and around Kamda are blessed and privileged to have the presence of Piarist Fathers whose exclusive and charismatic pedagogical commitment has given new life to the children of Kamda.

The celebration was simple but meaningful and really satisfying to the children, teachers and parents.
